Major and Career?

- I am a Finance Major!
- I will likely go into consulting or law school after graduation!

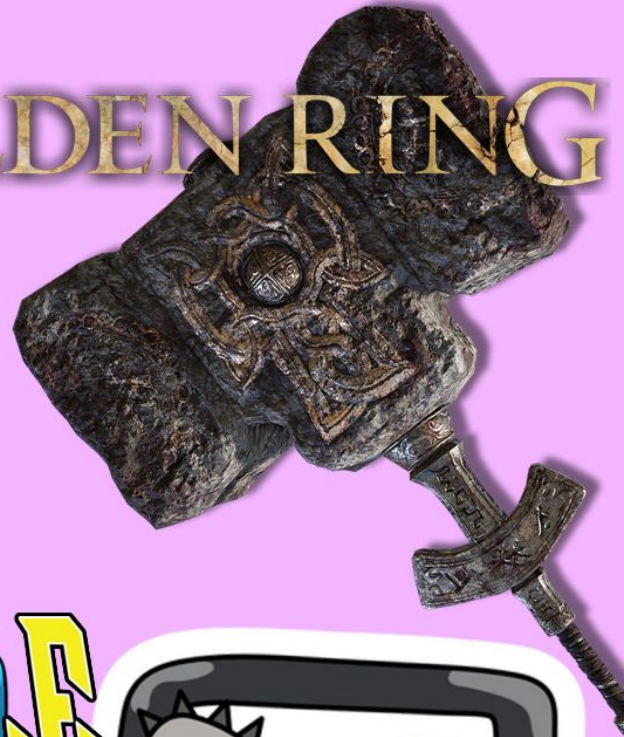

Technical Background?

- I grew up with a cousin who loved computers- he got me addicted to PC games and now I am incredibly proficient with electronics! I even built the computer that I'm making this assignment on!
- I am familiar with the Office 365 Suite, Google Chrome, video game platforms like Steam, and practically everything else you can do on Windows! I use this software mostly to do homework and play video games!

Who am I?

- I am from Las Vegas, NV!
- I chose UNR honestly because I got great scholarships from this University. However, I really do love our campus and I stay incredibly involved!
- I am an ASUN Senator for the College of Business, a member of Business Student Council, and the Honors College!
- I am addicted to playing Elden Ring!
- My favorite TV shows are Invincible and Chainsaw Man!
